

SERENGETI
PIONEER CAMP

TANZANIA

Spectacular, Timeless, Enchanting.

Opening December 2012, Serengeti Pioneer Camp will be the newest addition to the Elewana Collection of lodges, camps and hotels.

Located in the Southern Serengeti (within the Moru Kopjes area), Serengeti Pioneer Camp is ideally situated to offer superlative access to the annual migration and the 'Big 5' with sweeping views overlooking Moru Kopjes, Lake Magadi and the endless plains.

Each of Elewana Collection's camps and lodges has its own individual style and feel. Serengeti Pioneer Camp continues this tradition. Paying homage to the mobile camps of the 1930's, a time when an African safari was truly a journey into the unknown, Serengeti Pioneer Camp's 'zero footprint' and close proximity to nature combines to make an unmistakably distinctive and truly individual offering.

Comprising of ten-tented accommodations, all of which have en-suite facilities including a flushing toilet, vanity basin, and showers, the tent interiors are designed to evoke the very best of an era long-gone but certainly not forgotten.

A dining tent hosts the Camp's guests for both breakfast and dinner, whilst luncheons are taken either in the Camp or in the bush during what will no doubt be yet another enthralling day in the Serengeti.

Serengeti Pioneer Camp captures the original essence of the mobile African safari, engendering nostalgic wonderment whilst unlocking the adventurous spirit within all of us.

Spectacular, Timeless, Enchanting.

Serengeti Pioneer Camp will continue to exhibit the qualities that have become synonymous with an Elewana Collection lodge and camp: evocative room interiors, exemplary service standards, and exceptional game viewing opportunities.

OUR CAMPS IN THE SERENGETI

The drama and beauty of the Serengeti National Park is indeed awe inspiring.

With the 'Big Five' and the annual migration being the constant highlights of any visit to the Serengeti, the introduction of Serengeti Pioneer Camp will help to sate the desires of even the most expectant of safari travelers.

The unique combination of both Serengeti Pioneer Camp and the award-winning Serengeti Migration Camp, the latter of which is located close to the Grumeti river in the north of the National Park, guarantees exemplary and unfettered access to the Serengeti's wildlife, and in turn exceptional game viewing all year round.
